

# Introducing the

## NEW

# DEKO D32 Excel

## *Now with 16DIN Capacity!*

**The NEW DEKO D32 Excel will now process **16** standard size DIN baskets in one cycle.**

With all the usual features of our standard D32 model, for example ...

- ◆ Touch screen interface control system
- ◆ True independent monitoring  
Integrated CF memory card for onboard data storage
- ◆ Ethernet port for direct data download
- ◆ Automatic chemical dosing with flow control
- ◆ Double door pass through with viewing panels  
Display screen and independent printer for product release on the clean side
- ◆ Quiet and reliable
- ◆ Plus many other features...

**FOR MORE INFORMATION OR  
TO ARRANGE A MEETING TO  
DISCUSS THE D32 EXCEL THEN
